

LEGO Robotics right here at Valley View Charter Montessori!

*Academy Learning Centers
is bringing...*

EV3

**MindStorms
Robotics**

*to your after school
program for grades 4 - 8*

Wednesdays from 1:20 - 2:50
\$195 for 10 weeks: 8/28 - 11/6
(no session on 9/25)

Two students are paired with their own kit & Chromebook for plenty of hands-on activity with LEGO building bricks, along with motors, gears, sensors, coding, & bluetooth technology!

There is a maximum enrollment, so register soon by emailing us your full name, your student's full name & grade, and an email address to reach you at: frontdesk@academylearningcenters.com ... You can also find us at Back-To-School Night with questions!
